April 2018

**TO:** Presidents and Officers of International Surgical Colleges and Societies  
Esteemed Colleagues:

I seek your cooperation in publicizing the availability of the international scholarship opportunities offered by the American College of Surgeons. The International Relations Committee of the College asks that the requirements for these programs be widely distributed and we appreciate your kind cooperation.

Since 1968, the American College of Surgeons has offered **International Guest Scholarships (IGS)** to outstanding young surgeons from countries other than the United States and Canada, who have demonstrated strong interests and accomplishments in teaching and research. **Applications are now being accepted for the International Guest Scholarships for the year 2019. The closing date for receipt of applications and all supporting documentation is 2 July 2018.**

Each Scholarship offers a stipend of \$10,000 US, participation in the Clinical Congress, and the expectation of visits to several U.S. and Canadian clinical and research sites of the Scholar's choice. A mentor will be assigned to assist the Scholar to plan his or her tour.

Scholarship requirements and the online application form may be accessed from:

<https://www.facs.org/member-services/scholarships/international/igs>

<https://www.facs.org/member-services/scholarships/international/igsespanol>

<https://www.facs.org/member-services/scholarships/international/igsfrancais>

Several of these scholarships have special designations. The Stavros Niarchos Foundation International Guest Scholarship is dedicated to a Greek or Greek heritage surgeon. The Dr. Murray F. Brennan IGS is designated for a surgical oncologist, preferably from Australia or New Zealand.

**Also, the International Relations Committee announces the **Community Surgeons Travel Awards program (CSTA) for 2019.****

This award assists international surgeons to attend the annual Clinical Congress, but places less emphasis upon their academic and publication achievement for eligibility and is open to a greater age range. This program offers a stipend of \$4,000, and includes attendance and participation at Clinical Congress, gratis admission to several postgraduate courses and a mentor to provide advice. **The application deadline is 2 July 2018 for Year 2019 awardees.**

Program requirements and the online application form for CSTA may be accessed from:
